PATENTS:

1. Javad Rahimian, Ahmad Momeni. Systems and methods for treating cancer-using brachytherapy. U.S. Patent number: 12137882, November 12, 2024.

2. Javad Rahimian, Ahmad Momeni. Systems and methods for treating cancer-using brachytherapy. U.S. Patent number: 11617503, April 4, 2023.

3. Javad Rahimian, Mohammad Shenasa. Systems and methods for 3D Stereoscopic Angiovision, Angio navigation and Angio therapeutics. Patent Number: 11577049, February 14, 2023.

4. Javad Rahimian. Systems and methods for treating cancer-using brachytherapy. U.S. Patent number 11491346, November 8, 2022.

5. Javad Rahimian, Mohammad Shenasa. Systems and methods for 3D Stereoscopic Angiovision, Angionavigation and Angiotherapeutics. Patent Number: 16/509,284, October 14, 2022.

6. Javad Rahimian. Ahmad Momeni. Systems and methods for treating cancer-using brachytherapy. U.S. Patent number: 17/070,777, August 15, 2022.

7. Javad Rahimian. Treating cancer using Intensity-Modulated Brachytherapy. Patent pending. Application number 17/351013, June 17, 2021.

8. Javad Rahimian, Mohammad Shenasa. Systems and methods for 3D Stereoscopic Angiovision, Angionavigation and Angiotherapeutics. Patent Number: 13/399,704, April 19, 2019.

9. Javad Rahimian, Ahmad Momeni. Systems and methods for treating cancer using brachytherapy. U.S. Patent number: 10806339, October 20, 2020.

10. Javad Rahimian. Systems and methods for treating cancer using brachytherapy. U.S. Patent number**:** 10016619, July 10, 2018.

11. Javad Rahimian, Amir Rombod Rahimian. Systems and methods for frameless image-guided biopsy and therapeutic intervention. U.S. Patent number**:** 9649168, May 16, 2017.

12. Javad Rahimian. Systems and methods for treating cancer using brachytherapy, continuation in part, European Union Patent number EP 2 745 875 B1, May 25, 2016.

13. Javad Rahimian. Systems and methods for treating cancer-using brachytherapy, European Union Patent number: 2745875, April 22, 2016.

14. Javad Rahimian. Systems and methods for treating cancer using brachytherapy U.S. Patent number: 9295856, March 29, 2016.

15. Javad Rahimian. Systems and methods for treating cancer using brachytherapy U.S. Patent number: 9295491, March 29, 2016.

16. Javad Rahimian, Amir Rombod Rahimian. Systems and methods for frameless image-guided biopsy and therapeutic intervention, U.S. Patent number: 8758263, June 24, 2014.
